### In the Lobby...

**Peggy Walker Marketello** - "In the past 3 years, while continuing commissions with soft pastels on a lesser scale, I have enjoyed branching out into different media with my creative endeavors: encaustic wax, mono-prints with acrylics and inks, multi-media, revising handmade paper projects I did in the 70's, and a different hanging presentation for my cut-out designs on Bristol Board velum, shadowing on the wall. These new excursions have stirred up much excitement within me, and hopefully viewing excitement for you."

### • EXHIBITION OPPORTUNITY: Juried Regional Art Competition at the Petaluma Arts Center

The Petaluma Arts Center is pleased to announce a Call for Entries for the upcoming Juried Regional Exhibition, "theNeuwPolitic: Artists Explore."

CASH AWARDS: 1st place: \$1,500 2nd place: \$750 3rd place: \$500

Jurors: Richard Polsky (Author and Art Dealer), Paul Mähder (Paul Mähder Gallery), and Susan Larson (Art Consultant). Central and Northern California artists are invited to submit work that explores the current political climate as each artist envisions it. Interpretations can include any subject matter which the artist believes to be relevant. The art can be abstract or representational, functional, or non-functional. Now is the time for a much-needed dialogue surrounding politics, and artistic expression provides us with a unique platform to share that dialogue. Art gives us a voice, it unites, and tells unique stories. In times of great change and turmoil, art can provide a solace, a human connection across the time spectrum. Can art help these conversations and facilitate the connections that are so needed now?

Artwork Submission Dates • January 16 – February 23, 2017 • ALL ENTRIES MUST BE SUBMITTED ONLINE
